

# FACULTY POSITIONS - VISITING ASSISTANT PROFESSOR

## UNIVERSITY OF CALIFORNIA, SANTA BARBARA DEPARTMENT OF MATHEMATICS

Job #JPF02628

- Mathematics / College of Letters & Science - Mathematical, Life, and Physical Sciences / UC Santa Barbara

We are not yet accepting applications for this recruitment. [Browse open recruitments](#)

### POSITION OVERVIEW

**Position title:** VAP- Visiting Assistant Professor

**Salary range:** The posted [UC Salary Scales](#) set the minimum pay determined by rank and/or step at appointment. See [Table 1](#) for the salary history range. A reasonable estimate for this position at 100% time is \$78,700.

**Percent time:** 100

**Anticipated start:** July 01, 2024 or later

### APPLICATION WINDOW

**Open date:** November 3, 2023

**Next review date:** Sunday, Dec 3, 2023 at 11:59pm (Pacific Time)

Apply by this date to ensure full consideration by the committee.

**Final date:** Sunday, Jun 30, 2024 at 11:59pm (Pacific Time)

Applications will continue to be accepted until this date, but those received after the review date will only be considered if the position has not yet been filled.

### POSITION DESCRIPTION

**VISITING POSITIONS:** One or more special one-year visiting assistant professorships may be available, with possibility of renewal for additional years, up to three years in total. These positions carry a teaching load of 4.5 one-quarter courses per year. Excellence in research, potential for interaction with faculty at UC Santa Barbara and evidence of (or potential for) good teaching are desired.

Successful candidates will have a record of collaborative research, and will be able to leverage synergies within the Mathematics Department and Division.

Further information about Mathematics at UCSB can be found at: <http://www.math.ucsb.edu>.

The University is especially interested in candidates who can contribute to the diversity and excellence of the academic community through research, teaching and service as appropriate to the position.

### QUALIFICATIONS

**Basic qualifications** (required at time of application)

At a minimum, applicants must have completed all requirements for PhD (or equivalent) in Math or a related field, except the dissertation (or equivalent) at time of application.

**Additional qualifications** (required at time of start)

PhD (or equivalent) in Math or a related field conferred by the anticipated appointment start date

**Preferred qualifications**

A demonstrated record of excellence in research, and a record of (or potential for) excellent teaching are desired.

Successful candidates will have a record of collaborative research.

Contributions to the diversity and excellence of the academic community through research, teaching and service, as applicable are also desirable

### APPLICATION REQUIREMENTS

#### Document requirements

- American Mathematical Society Cover Sheet - available online at: <http://www.ams.org>
- Curriculum Vitae - Your most recently updated C.V.
- Statement of Research - Describe research experience and interests, highlighting major contributions to the field thus far, as well as areas to be investigated in future work. This statement may also include information about potential areas of collaboration within the department or campus and the research's potential for sustained impact. (2-4 pages)
- Statement of Teaching - Describe teaching experience and interests, highlighting courses taught and/or planned and teaching approaches and practices (e.g., lecturing style, assessment choices) adopted or likely to be adopted in these courses. (1-3 pages)
- Statement of Contributions to Diversity - Diversity, equity, and inclusion are core values at UC Santa Barbara. Our excellence can only be fully realized by faculty, staff, and students who share our commitment to these values. The department strongly encourages all applicants to submit an optional Statement of Contributions to Diversity, addressing past and/or potential contributions to diversity through research, teaching, and service. This statement, if submitted, will be reviewed for evidence of, or potential for, teaching, research, professional and/or public service contributions that promote diversity and equal opportunity, such as effective strategies used for the educational advancement of students in various under-represented groups; demonstrated contributions to the advancement of equitable access and diversity in education; and contributions furthering diversity and equal opportunity in higher education through participation in such activities as recruitment, retention, and mentoring of scholars and students. (Optional)

#### Reference requirements

- 4 letters of reference required

Applicants will need to arrange for four (4) references to submit letters of recommendation on their behalf via the recruitment website. It is encouraged that one of the letters will be directed towards teaching.
